GREEN COUNTRY HAMFEST FALL SWAP MEET:

It's official, it's on, a Fall Swap Meet put on by Green Country Hamfest Inc. It will be held in the east parking lot of Asbury Church 6767 S. Mingo RD. Saturday, September 11, 2021. Bring your own table, or tailgate to your heart's content. We will get things going about 8:00. This is an outdoor event, so social distancing should not be an issue. An ARRL VE Testing session will be held inside the building in conjunction with this event. The important thing is admission is *FREE!* swap and trade spaces are likewise *FREE!*, a couple of Yaesu dual band HT's will be raffled off during the event. Tix will be \$5.00 ea or five for \$20.00, must be present to win. Then mark your calendars for April 8-9 2022. The Green Country Hamfest will return to Claremore Expo Center better than ever. We can't get much bigger, we're using all the space Expo has as it is.

ENGINEERING REPORT:

By Joe Gorkos - N5TEX

At this time there is very little new to report on the 146.88 repeater. There may be an issue with RLS 1000 having a bug that may keep us from using it in the present configuration.

All the other repeaters are working fine. Skyline we have not heard if the sale has been completed and how the new owners would handle us being on the roof.
