FIRST OF ALL, SAD NEWS:

First of all, sad news long-time **TRO** member Richie Shroff W5OKL became a silent key back just before Christmas. I believe he was also a member of TARC and BAARC. Most significantly he served the Green Country Hamfest steering committee as our treasurer for many years. I know as president of Green Country Hamfest I will personally miss him hanging out near the cement mixer we use for our prize tickets every year, and at the end of the event we both wondered why we did it. I know all of us on the hamfest committee will sincerely miss him. 73 Richie DE WB5OSM SK

Speaking of the Green Country Hamfest:

We are seeking additional people to serve on the committee; we are especially seeking someone to serve as treasurer. Right now Merlin WB5OSM is filling both positions of treasurer and president. Most of our meetings are held by Zoom, and we take June, July, and August every year off. If you are interested in helping, let me know.

Merlin WB5OSM wb5osm@hotmail.com

3rd Prize is a Yaesu FTM-510DASP Dual Band 144/440 MHz FM/C4FM Transceiver with Digital Audio Processing.

A VE Exam Session was held Thursday 1/16/2025 at the Tulsa Red Cross.

Three candidates were served.

Ms. Elizabeth Allen of Tulsa, unlicensed to Amateur Extra

Mr. Vernon Chronister also of Tulsa, unlicensed to General

Mr. Theodore Smith of Broken Arrow, new Technician

Ms. Allen Scored 98% on Element 4. I didn't catch what her background was, but that's impressive!

The VE Team was Curtis Looper N5CEL, Don Ewing N5SGE, and Merlin WB5OSM. This test session was our first ever to use the new Exam Tools software by Signal Stuff. The testing was done all electronically; the only paper used was the cash for the testing fees. We will discuss this some more later. It really speeds things up. It will allow us, like if there is inclement weather, say ice on the ground; we can give the test remotely. VE's and applicants can do it from the comfort of home. We borrowed Don from RCWA's VE team, as he and Curtis have prior experience with Exam Tools. It's very impressive.

Next **TRO**/Tulsa Red Cross Test session will be March 19, 2026 @ 19:00.
